Current positions and responsibilities

Professor of Sociology at the University of Paris-Dauphine
Head of the social sciences PhD program of the University of Paris- Dauphine
Co-head of the Public Policy and Social Regulations Master's
Co-head of the first year of the Public Policy and Social Regulations Master's
Member of the IRISSO management team
Member of the Graduate School Committee of the University of Paris-Dauphine
Elected member of Section 40 (Policy, Power, Organization) of the National Committee for Scientific Research (in charge of the national evaluation of researchers and research units in political science and the sociology of work)

Positions held

Since 2013	Professor of Sociology, University of Paris-Dauphine Researcher at the IRISSO Associate researcher at the SAGE (Societies, Actors, Governance in Europe), UMR 7363, CNRS, University of Strasbourg
2012-2013	CNRS fellowship () within the SAGE, UMR 7363, CNRS, University of Strasbourg.
2003-2013	Lecturer in political science, Institute of Political Studies – Strasbourg Researcher at GSPE, then SAGE
2001-2003	Fellowship for research and teaching (ATER), Institute of Political Studies, Strasbourg
1995-1998	Doctoral Research Fellowship, University of Compiègne

Education

2012	Accreditation to supervise research, (<i>H</i>), University of Strasbourg. Title: <i>D</i> ? <i>L</i> [Publicly Discuss or Manage Discreetly? Occupational Health Policies as a Site of Experimentation with New Forms of Public Action]
1995-2000	Information and Communication Sciences PhD, University of Compiègne, First Class Honors with unanimous congratulations from the jury Title: . <i>A</i> : [An Improbable Scandal. Asbestos Exposure: From an Occupational Disease to a “Public Health Crisis”]
1994-1995	Master's in Public Organizations and Policies, University of Paris I Panthéon- Sorbonne
1992-1994	Bachelor's and Master's in Political Science, University of Paris I Panthéon Sorbonne
1986	Baccalaureate specialized in Mathematics and Science , Poitiers academy

Prizes - distinctions

- 2008 Winner of the Prize for excellence in the social sciences, awarded by the Mattei Dogan Foundation and the National Center for Scientific Research (CNRS) in the field of sociology
- 2001 Mentioned as “highly commended” by the *I F* research prize committee, National Audiovisual Institute (*I* , INA)

Research fields

Sociology of public policy; sociology of expertise and political decision making; the construction and definition of public problems; sociology of media and media discourse; occupational health; environmental health; risk and crisis analysis

Research activities and organization of events, seminars and symposiums

- Since 2014 Co-organizer with Emilie Council (epidemiologist at the *E* – School of Advanced Studies in Public Health) of the interdisciplinary seminar *C ? E* [How to Better Equip Occupational Health Decision Making? Challenges Surrounding the Production of Scientific Knowledge and Expertise], one session approximately every second month since February 2014 at the University of Paris-Dauphine (funding obtained from the CNRS as part of a PEPS project (*P*) and of the major research area DIM Gestes, € 16500).
- 2014 Organizer and scientific manager of the international symposium “*L . P*” [Challenging Experts’ Independence. For a New Political Sociology of Health Expertise] (<http://independance-experts.fr>) organized within the SAGE (UMR CNRS, University of Strasbourg) at the *M S -A* (MISHA), May 15th-16th, 2014
-) - 2011-2014 Manager of the program INDEX “

- 2006-2009 Co-leader with Claude Gilbert of the research seminar “Risks and Definitions of Public Problems: What Research Perspectives?”, organized as part of the Interdisciplinary Network on Collective Risks and Crisis Situations associating the MSH-Alpes and the MHS Toulouse in partnership with the SAGE and the MISHA
- 2007-2009 Research on the production of scientific expertise for public institutions in the framework of the PRATEX project (Analysis of Expertise in Practice) funded by the CNRS in the framework of the 2007 call for papers of the ISCC, I
- 2004-2007 Researcher in the research group “L” [The Mediatization of Road Safety. From the Construction of a Public Problem to the Processes of Coproduction of Information] in the framework of the MSH-Alpes of a [Road Safety and Society. The Society of Road Users and Road Risk Regulations]
- 2004-2006 Scientific head of the Jean Monnet initiative “L” [The Construction of Public Problems in Europe. New Fields, New Research Challenges], funded by the European Commission. In particular, this involved responsibility for an international seminar, some papers of which have been published in L (see below, Publications).
- 2002-2008 Participation in the research activities of the Operational Group 3 “N” [New Knowledge for Safety] of the Predit (National Research Program for Experimentation and Innovation in Ground Transport)
- 2002-2004 Head of the research operation and seminar “A” [Actors of Road Safety: Towards a Review of Knowledge] organized in the framework of the Predit for the Ministry of Infrastructure (DRAST)

PhD and scientific supervision

PhD supervision:

Since 2013 Ana Sofia Campos,

[A Transatlantic Comparison of Food Supplement
R
M o Periphery o], n o Paris-Dauphine
Since 2 therine Cavalin (-s Paul-André Rosental), M
E
? [i o No l d Ob e olence c
a a Ne Pu He Pb (-2 , -Po Paris

Post-doc supervision:

Main courses taught

At the University of Paris-Dauphine:

“Sociology of Public Policy” course, Social Science Bachelor’s, 18 hours, since 2013

“Public Policy and (Non-)Publicity” course, 2nd year of the Public policy and Opinion Master’s, 27 hours, since 2013

“Occupational Health Policies” course, 2nd year of the Company Policies and Social Regulations Master’s, 18 hours, with Arnaud Mias, since 2013

“Research and Thesis Writing Workshop” course, 1st year of the Public Policy and Social Regulations Master’s, 36 hours, with Catherine Achin, since 2014

PhD supervision seminar, Social Science PhD program, Graduate School of the University of Paris-Dauphine, 27 hours, with Catherine Achin and Dominique Méda, since 2014

At the University of Strasbourg:

“Politics and public policy in Europe” course, 4th year of the IEP program, 36 hours, since 2009

“Sociology of administration and public policy” course, 2nd year of the Careers and Public Policy in Europe Master’s, 20 hours, *I E P S*, since 2008

“Sociology of Public Policy” course, 2nd year of the “Social Sciences of Politics” Master’s, 20 hours, *I E P S*, 2005-2009

“Sociology of the State” course, 2nd year of the IEP program, 50 hours, since 2003

“Sociology of Public Policy” course, 1st year of the “Political and Social Sciences” Master’s, 32 hours, University of Strasbourg, since 2009

“Administrative Sciences” course, 1st year of the “Political and Social Sciences” Master’s, 32 hours, University of Strasbourg, 2003-2008

“Initiation to Sociological Reasoning” course, 2nd year of the IEP program, 25 hours, 2004-2008

As a guest lecturer:

“Work and Professions as Public Problems” course, “Sociology” Master’s, University of Fribourg (Switzerland), 14 hours out of 28 (shared with Muriel Surdez), 2011-2012

“The Definition of Public Problems” block-course, “Political Communication and Society, Journalism and Media Specialization” Master’s, University of Fribourg (Switzerland), 28 hours, 2008-2009

“The construction of risks and crisis management” course (with Claude Gilbert), 16 hour module in the “Management of Risks across Territories” Master’s of the ENA since 2006

“The Media Construction of Public Problems” seminar, 2nd year of the “Public Policy and Spaces in Europe” Research Master’s of the IEP of Rennes, 6 hours, since 2004

Various lectures at the *I E F P* (INTEFP, Marcy-l’Etoile) and at the *E H E S P* (EHESP, Rennes).

Academic responsibilities

Since 2013	Member of the management team of the IRISSO
Since 2013	Co-head (with Domonique Damamme) of the Public Policy and Social Regulations Master’s
Since 2013	Co-head (with Catherine Achin) of the 1 st year of the Public Policy and Social Regulations Master’s
Since 2013	Member of the Graduate School Committee of the University of Paris-Dauphine
Since 2012	Elected member of Section 40 (Politics, Power, Organization) or the National Committee for Scientific Research
Since 2006	Academic supervisor of the module “Analysis and Evaluation of Risk Management Public Policies” of the “Territorial Prevention and Management of Risk” Master’s organized by the ENA as part of the European Center of Public Administration (PEAP).
2005-2009	Head of the 1 st year of the Political and Social Sciences Master’s at the University of Strasbourg
2005-2009	Elected member of the <i>C E</i> (CEVU) of the University of Strasbourg III
2004-2010	Elected member of the board of the <i>I S</i>

2005-2009 Member of the political science expert committee of the University of Strasbourg III

Participation in expert bodies

Since 2012: Member of the working group Humanities and Social Sciences of the ANSES (ANSES)

Since 2011: Member of the Scientific Committee of the ANSES Environment-Santé-Travail Research Program

2009-2014: Member of the *H C S P* (Specialized “Environmental Risk” Commission)

2008-2013: Member of the *C* (CRPRP) of Alsace

2007-2008: Member of the working group “Integration of sociological aspects in the work of the medical-economic evaluation and public health service” of the *H A S* (HAS).

Popularized publications

January 2012 Article: “Désenclaver les politiques de santé au travail” *S*, 77, January 2012, pp. 31-33.

December 2010 Article: “L’amiante : risque professionnel ou enjeu environnemental ?”, *L*, 383, December 2010.

September 2009 Article: “Politiques de santé au travail : une difficile mise en débat public”, *S*, September 2009.

November 2007 Paper at the round table “Malades du travail?” organized in the framework of the event *S () R* - in Strasbourg.

Since 2000 Papers at the request of various national media on the management of asbestos and other occupational toxicants.
